ABOUT US

York Pride stands as the pinnacle of York's cultural celebrations — a vibrant, annual extravaganza that heralds the beauty of diversity within the LGBT+ community. As the largest event of its kind in North Yorkshire, and notably the biggest free one-day event York has to offer, it serves as both a jubilant celebration and a vital platform for raising awareness about key LGBT+ issues.

This event shines as a beacon of inclusivity, where entertainment and joy are interwoven with the spirit of unity. It's a day where families, friends, and allies come together in a harmonious display of support, creating a festival atmosphere where everyone is encouraged to be their authentic selves.

Behind the scenes, York Pride is brought to life by a dedicated cadre of volunteers, who tirelessly devote their time and energy throughout the year to elevate the Pride experience for everyone. This labour of love is fueled by the generous contributions from local businesses, the proceeds from sponsorship, personal donations, and the vibrant activity of stalls on Pride day, alongside a series of engaging fundraising events.

Your support is an investment in the values of diversity and acceptance, helping to ensure that York Pride continues to be a beacon of hope and joy for the LGBT+ and broader community. Join us in making a statement, in celebrating love, and in continuing the cherished tradition of York Pride.

WHAT HAPPENS ON THE DAY

The York LGBT+ Pride festival effortlessly blends the quaint charm of a traditional village fete with the electrifying energy of a pop music extravaganza.

York Pride begins with an exciting, colourful parade that snakes its way through the city towards the Knavesmire. At the heart of the celebration, the main stage bursts to life with upbeat pop anthems, creating a vibrant soundtrack for the festivities. In contrast, the Community Stage offers a retreat, where relaxed rhythms and local performances provide a tranquil haven for those seeking a more laid-back local atmosphere.

With an array of over 140 stalls, the festival caters to a diverse range of interests and tastes. Visitors can explore everything from charity and community stands to a fully licensed bar, alongside an eclectic mix of food vendors offering delectable treats. The festival also features dedicated spaces for families, a pulsating dance tent and a quiet/sensory area for those needing a moment of calm.

The excitement doesn't stop there — a sprawling fairground brings smiles to faces young and old, promising endless fun with its array of thrilling rides and games. York Pride truly offers a rich tapestry of experiences, ensuring that everyone, regardless of age, finds joy and celebration throughout the day.

AWARD WINNING

York LGBT Pride celebrated an incredible year in 2024, firmly establishing itself as a key highlight of York's cultural calendar. Winning the prestigious Yorkshire Post Tourism Award 2024 and the York Mix Choice Award 2024—an accolade voted for by the public—demonstrates the event's outstanding impact and deep connection with the community.

These achievements, alongside being finalists in the Visit York Awards (for both 2024 and 2025) and the Little Vikings Awards, reflect our commitment to delivering an inclusive, family-friendly experience that resonates with a wide audience.

These milestones underscore York LGBT Pride's vital role in bringing tens of thousands of people together to celebrate diversity and community spirit.
