A few things to consider

- Stall position is at the sole discretion of York Pride; we aim to prepare a site layout that benefits traders and attendees equally.
- We do not provide gazebos, chairs, tables, etc.
- The standard pitch size is 3m x 3m
- There will be a 25% uplift in donation for a 6m x 6m pitch, 50% uplift in fee for a 9m x 6m pitch and 75% uplift for a 12m x 6m pitch.
- We aim to provide a good mix of vendors and avoid having numerous stalls with the same product(s).
- We've found that attendees like to support stalls who take part in our Wristband Scheme and also stalls that are interactive.
- The whole site will be licensed for trade under one licence from City of York Council. If you are selling food or drink you will have to pay an additional licence fee of £50 on top of your pitch fee. (This is much cheaper than if individual traders had to obtain their own licence.)

Many of our sponsorship packages include a stall. If you are interested in becoming a sponsor please contact us, at:

Terms and Conditions 2027

1. Application closing dates depend on demand. We may close applications for certain stall categories while leaving others open. Please check our website for updates.
2. Successful applicants will be invoiced, with payment due within 30 days. Unpaid bookings may be offered to other stallholders.
3. Standard stall space is 3m × 3m. Please select the appropriate option on your application if you require a different size.
4. Stall positions are allocated at York Pride's discretion and are non-negotiable. A particular location or view of the stage is not guaranteed.
5. Stalls selling food or drink will be charged an additional £50 licensing fee on behalf of City of York Council.
6. Stallholders must provide evidence of appropriate health and safety documentation and public liability insurance.
7. Food vendors must provide food business registration details, food hygiene information, relevant food safety documentation and allergen information where applicable.
8. Appropriate gas/LPG certification and electrical safety documentation must be provided where applicable. Catering stalls must have suitable fire extinguishers and fire blankets where required.
9. Only diesel generators are permitted; petrol generators are prohibited. Generators must be safely positioned, protected from public access and refuelled only when safe and permitted. Cables and equipment must be safely installed.
10. Alcohol must not be sold unless in the licensed bar. York Pride may prohibit any illegal, counterfeit, unsafe, inappropriate or unauthorised goods, including weapons, tobacco and vaping products.
11. Stallholders must provide their own gazebo/marquee, tables and equipment. Catering vendors must provide their own power, water and facilities.
12. All stallholders are responsible for removing their rubbish and leaving their pitch clean and clear. Stallholders are liable for damage caused by themselves, their staff, vehicles or equipment, including ground damage and spillages.
13. York Pride is an outdoor event on a grass field, which may be uneven. Stallholders must prepare for all weather conditions and secure their structures appropriately.
14. Unless agreed otherwise in advance, arrival and set-up must take place between 8am and 9:30am. All stalls must be safely assembled and ready for inspection by 10am.
15. Stallholder vehicles are parked at the owner's risk. Parking near your stall is not guaranteed; please bring suitable equipment to transport your goods. Access requests should be noted on your application.
16. No vehicles may move around the public festival area between 10am and 9pm. Stalls must remain trading until at least 6:30pm. Packing down may begin at 6:30pm, but vehicles must not enter or travel through the public festival area before 9pm. All equipment must be carried to the Car Park.
17. A quiet trading period will operate between 11am and 12pm, when no music or sound may be played. Personal PA systems and megaphones are prohibited at all times.
18. Stalls must not be left unattended for prolonged periods or cease trading early without permission. Stallholders are responsible for the conduct of their staff, volunteers and contractors.
19. Stallholders must follow all applicable laws, safety requirements and reasonable instructions from York Pride, the Event Safety Team, security contractors and emergency services.
20. Stallholders cancelling at least 60 days before the event may carry their stall fee forward as a credit for one subsequent York Pride event within 12 months of the original event date. Cancellations made less than 60 days before the event, non-attendance or early departure will not qualify for a refund or credit. Credits are non-refundable, subject to application approval and availability, and exclude unrecoverable third-party or licensing costs.
21. If York Pride cancels before the event opens, stallholders will be offered a refund of the stall fee paid or a credit towards the next event within 12 months. If the event is postponed, stallholders may transfer their booking to the revised date or request a refund. If the event is evacuated, curtailed or cancelled after opening due to severe weather, safety concerns or circumstances beyond York Pride's reasonable control, refunds or credits will not normally be provided, subject to any rights that cannot legally be excluded.
22. York Pride is not responsible for loss, theft of or damage to stallholders' belongings, stock, equipment or vehicles, except where legally liable.
23. York Pride reserves the right to require any stallholder to cease trading and/or leave the site where the stallholder, their staff or representatives behave in a way that is unsafe, abusive, discriminatory, unlawful or otherwise likely to bring York Pride into disrepute. No refund will be provided in these circumstances.
24. Failure to comply with these terms, event safety requirements or reasonable instructions from York Pride, its Event Safety Team or security contractors may result in the stall being closed and the stallholder being required to leave the site without refund.
